

COLLEGIATE LINE

Beds

Make any dormitory room a home with our Collegiate Line Beds. The bed offer superior space utilization and great flexibility for accommodations for any room. The Collegiate Line is designed as attractive, practical furniture built to withstand the rigorous use of a dormitory setting. The beds are constructed of all red oak hardwood with mortise and tenon construction throughout.

The bed may be used as a single, or configured to make a bunk bed or a lofted bed to save space. All corners are rounded to eliminate sharp edges. The adjustable steel metal frame features no-sag springs and accommodates a 36" x 80" mattress. An optional custom-built ladder is available.

Please ask about our line of mattresses, pillows, desks, wardrobes and dressers.

Collegiate Single Bed

The Collegiate Single Bed is perfect for a single or a double room. The bed may be adjusted to match any height requirements for the user and can store items underneath.

Bunk Bed

The Collegiate Bunk Bed is a real space saver. Use the simple post connectors with two single bed units, add a built-in ladder and a safety rail and you have a versatile 72" high bunk bed.

Corner Post

Corner Posts are 2 1/4" square and 36" high and feature adjustable bed levelers. The 3/8" steel pins embed every 3 inches throughout in the posts provide stability and allow the frame and mattress to be mounted at several heights.
