

RESIDENTIAL LINE

Dressers and Nightstand

With the Residential Line of Dressers and Nightstand, any dormitory will stand out from the rest. All pieces have rich red oak drawer fronts and 1/4" edge banding. The tops of the dressers and nightstand are made from a durable wood grain laminate, and the sides are constructed with red oak fiber core plywood. The drawers boxes are baltic birch and oak grain melamine drawer bottoms made for easy cleaning. These pieces come in three standard finishes; Natural, English Oak, and Early American.

The Residential Dressers are available in a three, four, or five drawer style to fit any storage need and budget.

Please ask about our line of mattresses, pillows, beds, desks and wardrobes.

Drawer Slides

The heavy-duty drawer slides are roller-bearing, full extension slides with 100-pound capacity.

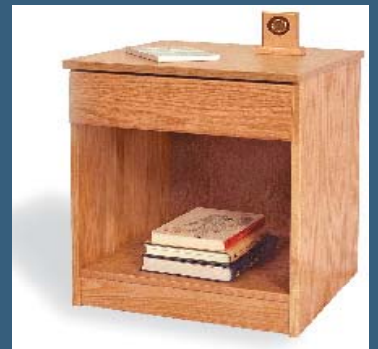

Corner Block

The corner block construction adds strength and stability to all the Residential Line pieces

Lock Joints

This inside view of a drawer from the Residential Line shows the detail of the lock joints used for increased durability.

Nightstand

The nightstand features one drawer and a roomy storage area.

Dressers and Nightstand Pricing
