

Alpha Chair

The Alpha Chair is perfect for the hard working individual who deserves the utmost comfort. Complete with standard soft polyurethane over flexible steel loop armrests and dual wheel free-folling carpet casters. Other features include adjustable seat height and adjustable reclining tilt for different body weights.

The Alpha is made from recycled metal and weighs approximately 36.5 pounds and over 20% of all the materials used are recycled.

The chair comes standard with poly arms and a black nylon base. Choose from a variety of fabric choices.
