

Breathe Chair

The Breathe Chair complements a fast-paced office setting with its contemporary style and unmatched comfort. Featuring a double mesh fabric layer for its back, this ergonomic chair is the ultimate in comfort and breathe-ability. Other exciting features include a soft contoured seat, adjustable lumbar support and soft padded arms with six separate adjustments that will support users throughout the busy day.

Users will experience comfort the moment they sit down with a heavy-duty gas lift cylinder, die cast aluminum base with dual wheel casters, and a synchronized knee-tilt mechanism with an adjustable tension knob.

The Breathe Chair is available in a pedestal base with or without arms and comes standard with a black frame and fabric only.
