

Encore Stool

The Encore Stool is the perfect seating with superb style, comfort and functionality. This ergonomic stool comes with a standard seat slide with a five position lock-out that adjusts the seat from 16" to 19" deep as well as adjustable seat and back heights to accommodate each individual. Encore's tension control is adjustable for different body weights to relieve backrest pressure and its back reclining angle adjustment allows the backrest to adjust backwards for the perfect fit.

The Encore Stool is available with or without arms (fixed or adjustable) and comes in a variety of fabric choices.

Please note there is no forward seat tilt option with the Encore Stool.
