

Pilot Chair

The Pilot Chair is the perfect office task chair for everyone. Not only will you experience the round-the-clock comfort, you will be amazed with the abundance of features the Pilot has to offer.

The chair features an expansive 24" wide seat with a waterfall edge to relieve pressure on the thighs and has a high back that provides gentle support for the entire spine. Its back angle adjustment allows the user to adjust seat and back angle to their desired position

The chair comes standard with poly arms and a black nylon base. Choose from a variety of fabric choices.
